

## Integra LifeSciences to Present At Two Conferences in March

PLAINSBORO, N.J., Mar 2, 2009 (GlobeNewswire via COMTEX News Network) -- Integra LifeSciences Holdings Corporation (Nasdaq:IART) announced today that it is scheduled to present at two conferences in March.

On Wednesday, March 11, 2009 at 7:30 AM ET, John B. Henneman III, Executive Vice President, Finance and Administration, and Chief Financial Officer of Integra will be presenting at Raymond James' 30th Annual Institutional Investors Conference at the JW Marriott Grande Lakes in Orlando, FL. An audio webcast will be available for this conference via a link at our website at [www.integra-LS.com](http://www.integra-LS.com) in the Investor Relations section.

On Monday, March 16, 2009, at 2:25 PM ET, Gerry Carlozzi will present at Cowen and Company 29th Annual Health Care Conference at The Boston Marriott Copley Place in Boston, MA. A webcast will be available via a link on our website at [www.integra-LS.com](http://www.integra-LS.com) in the Investor Relations section.

A replay of each of these webcasts will be available through this link for two weeks following the live event.

Integra LifeSciences Holdings Corporation, a world leader in regenerative medicine, is dedicated to improving the quality of life for patients through the development, manufacturing, and marketing of cost-effective surgical implants and medical instruments. Our products, used primarily in neurosurgery, extremity reconstruction, orthopedics and general surgery, are used to treat millions of patients every year. Integra's headquarters are in Plainsboro, New Jersey, and we have research and manufacturing facilities throughout the world. Please visit our website at (<http://www.Integra-LS.com>).

Statements made at the upcoming conferences may be forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Such forward-looking statements involve risks and uncertainties that could cause actual results to differ from predicted results. Forward-looking factors that may be discussed include, but are not limited to, future financial performance, new product development, governmental approvals, market potential and resulting sales as well as potential therapeutic applications, and additional acquisitions. These risks and uncertainties include market conditions and other factors beyond the Company's control and the economic, competitive, governmental, technological and other factors identified under the heading "Risk Factors" included in item 1A of Integra's Annual Report on Form 10-K for the year ended December 31, 2007 and information contained in subsequent filings with the Securities and Exchange Commission could affect actual results.
