

## Integra LifeSciences to Present At Two Conferences in August

PLAINSBORO, N.J., Aug 3, 2008 (PrimeNewswire via COMTEX News Network) -- Integra LifeSciences Holdings Corporation (Nasdaq:IART) announced today that it is scheduled to present at two conferences in August.

On Tuesday, August 5th, 2008 at 9:30 a.m., Gerry Carlozzi, Chief Operating Officer of Integra, will be presenting at BMO Capital Markets Focus on Healthcare Conference at The Millennium Broadway Hotel in New York City, NY.

Mr. Carlozzi will also be presenting on Wednesday, August 13th, 2008 at 3:30 p.m., at Canaccord Adams 2008 Global Growth Conference at the InterContinental Hotel in Boston, MA.

Webcasts for both conferences will be accessible through a link provided in the Investor Relations section of Integra's website at <http://www.integra-LS.com>. Additionally, a replay of each of these webcasts will be available for two weeks following the live event.

Integra LifeSciences Holdings Corporation, a world leader in regenerative medicine, is dedicated to improving the quality of life for patients through the development, manufacturing, and marketing of cost-effective surgical implants and medical instruments. Our products, used primarily in neurosurgery, extremity reconstruction, orthopedics and general surgery, are used to treat millions of patients every year. Integra's headquarters are in Plainsboro, New Jersey, and we have research and manufacturing facilities throughout the world. Please visit our website at (<http://www.Integra-LS.com>).

Statements made at the upcoming conferences may be forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Such forward-looking statements involve risks and uncertainties that could cause actual results to differ from predicted results. Forward-looking factors that may be discussed include, but are not limited to, future financial performance, new product development, governmental approvals, market potential and resulting sales as well as potential therapeutic applications, and additional acquisitions. These risks and uncertainties include market conditions and other factors beyond the Company's control and the economic, competitive, governmental, technological and other factors identified under the heading "Risk Factors" included in item IA of Integra's Annual Report on Form 10-K for the year ended December 31, 2007 and information contained in subsequent filings with the Securities and Exchange Commission could affect actual results.
