

Integra LifeSciences to Present at the Morgan Joseph 2010 Best Ideas Conference and the Goldman Sachs 31st Annual Global Healthcare Conference in June

PLAINSBORO, N.J., June 4, 2010 (GLOBE NEWSWIRE) -- Integra LifeSciences Holdings Corporation (Nasdaq:IART) announced today that it will present at two conferences in June.

On Wednesday, June 9th, 2010 at 12:30 pm ET, Mr. John B. Henneman, III, Executive Vice President and Chief Financial Officer of Integra, will present at the Morgan Joseph 2010 Best Ideas Conference at the Millennium Broadway Hotel in New York City. There will be no webcast for this conference.

On Tuesday, June 15th, 2010 at 8:35 am PT, Mr. Henneman will present at the Goldman Sachs 31st Annual Global Healthcare Conference at the Hyatt Regency Century Plaza Hotel in Los Angeles. There will be no webcast for this conference.

Integra LifeSciences Holdings Corporation, a world leader in regenerative medicine, is a global medical device company dedicated to improving the quality of life for millions of patients every year. Our products are used primarily in orthopedics, neurosurgery and general surgery. Headquartered in Plainsboro, New Jersey, Integra has research and manufacturing facilities throughout the world. For more information, visit www.Integra-LS.com.

Statements made at the upcoming conferences may be forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Such forward-looking statements involve risks and uncertainties that could cause actual results to differ from predicted results. Forward-looking factors that may be discussed include, but are not limited to, future financial performance, new product development, governmental approvals, market potential and resulting sales as well as potential therapeutic applications, and additional acquisitions. These risks and uncertainties include market conditions and other factors beyond the Company's control and the economic, competitive, governmental, technological and other factors identified under the heading "Risk Factors" included in item IA of Integra's Annual Report on Form 10-K for the year ended December 31, 2009 and information contained in subsequent filings with the Securities and Exchange Commission could affect actual results. These forward-looking statements are made only as the date thereof, and the Company undertakes no obligation to update or revise the forward-looking statements, whether as a result of new information, future events or otherwise.
