

## **Integra LifeSciences to Present at the US Bancorp Piper Jaffray Health Care Conference**

PLAINSBORO, N.J., Jan 22, 2002 (BUSINESS WIRE) -- Integra LifeSciences Holdings Corporation (NASDAQ:IART) announced today that it is scheduled to present at the US Bancorp Piper Jaffray Health Care Conference at the Pierre Hotel in New York City on Wednesday, January 30, 2002 beginning at 1:30 PM EST.

The presentation will be delivered by Stuart Essig, President and Chief Executive Officer of Integra. Access to the live presentation is available to the general public through a webcast that can be accessed through the Calendar Events link in the Investor Relations section of Integra's website at <http://www.Integra-LS.com>. Additionally, a replay of this webcast presentation will be available through February 13, 2002.

Mr. Essig's presentation will provide an overview of the Company's operating divisions, a review of recent financial history, and the Company's overall business strategy.

Integra LifeSciences Holdings Corporation develops, manufactures and markets medical devices, implants and biomaterials primarily used in the treatment of cranial and spinal disorders, soft tissue repair and orthopedics. Integra is a leader in applying the principles of biotechnology to medical devices that improve patients' quality of life.

The Company has its corporate headquarters in Plainsboro, New Jersey, with manufacturing and research facilities located throughout the world. The Company has approximately 600 permanent employees.

Statements made in the upcoming conference may be forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Such forward-looking statements involve risks and uncertainties that could cause actual results to differ from predicted results.

Forward-looking factors that may be discussed include, but are not limited to, future financial performance, new product development, governmental approvals, market potential and resulting sales as well as potential therapeutic applications, and additional acquisitions.

In addition, the economic, competitive, governmental, technological and other factors identified under the heading "Risk Factors" included in the Business section of Integra's Annual Report on Form 10-K/A for the year ended December 31, 2000 and information contained in subsequent filings with the Securities and Exchange Commission could affect actual results.
